### Homestay Teacher Testimonials

- *Annie Sturgeon (Alford)*  
I've had an excellent working relationship with Clare for a number of years now. She is enthusiastic, efficient and friendly. She has the pupils interests at heart and I would recommend her to anyone looking to improve their English, especially if they wish to enjoy everything that beautiful North East Scotland has to offer as well!
- *Belynda Jayne (Ellon)*  
I am a homestay tutor with Language Travel Tours, and I love the support I get from Clare. She gives a lot of thought and attention to the whole experience, both for the tutor and the student. I would recommend Language Travel Tours to both prospective tutors and students - give it a go!
